

**ISLAND EQUIPMENT OWNERS ASSOCIATION
2020 IEQA FOUNDER'S BURSARY**

February 12, 2020

To: All Members of the Island Equipment Owners Association and their Employees

We are pleased to distribute applications for the 2020 IEQA Founder's Bursary. This bursary will be awarded to employees, or dependents of employees or principals of an IEQA member company who are enrolled in a post secondary educational program or trades training program. Affiliate companies are not eligible for the bursary.

The Bursary Committee will accept applications from eligible individuals until May 31, 2020 and will award the bursary to the applicant(s) they feel are the most deserving. It is the committee's intent to award **at least one trades-based bursary and one academic-based bursary**, provided that suitable applications are received in both fields. The total value of the bursaries to be awarded this year is up to \$8,500.

In 2017 we added the \$570 value bursary to be awarded to a female applicant in honor of Laura Brewer, our retired association manager. This was generously donated by an anonymous member company during the retirement party and will be the fourth year it is awarded, provided suitable applications are received.

Please help the IEQA spread the word about this bursary by posting this announcement in your office and/or including a copy of the attached information sheet with your employee's paycheques. We know that there are many deserving students in your ranks that could use some financial assistance to achieve their goals. We hope to see a record number of applications this year. Last year the committee awarded a total sum of \$8,070 to 4 well deserving students. **Since 1999 the IEQA has awarded over \$106,260 to students within our membership, THANK YOU!**

Applications should be submitted to:

MAIL: Bursary Committee
Island Equipment Owners Association
17 Cadillac Ave, Unit 25
