

**ISLAND EQUIPMENT OWNERS ASSOCIATION
2022 TRUCK LIGHT CONVOY & FOOD DRIVE
SATURDAY DECEMBER 3, 2022**

The 23rd annual IEOA Truck Light Convoy & Food Drive is on Saturday December 3, 2022. We are excited for this year's event and hope you will join us in creating a magical event rolling through the streets of Greater Victoria. The convoy is a gathering of commercial trucks decorated in the holiday spirit travelling through the streets of the Capital Region with a goal of raising awareness and collecting nonperishable donations for the local food banks. Over the years an increasing amount of people have come out to watch as the convoy winds its way through the local communities. There are designated drop-off locations along the route where the public and spectators can donate nonperishable food items on the evening of the event. Over the years we have donated over 165,000 lbs of food and \$71,000 for distribution to local food banks.

The Truck Light Convoy starts at the Breakwater District and Ogden Point where we start marshaling after 3:30pm, take individual photos of the vehicles at dusk, and be ready to roll with a police escort at 5:40pm. The route takes us to Oak Bay, back into Victoria, through Saanich and out to the West Shore communities. It is a 35km route and once you are in the convoy you need to stay in line until it finishes in Langford around 8:30pm.

Over the past twenty plus years the Truck Light Convoy & Food Drive has experienced tremendous growth and success. Several communities plan their light up events around our convoy and it is one of the most popular events in the region, a holiday gathering not to be missed.

We hope that you will be able to join us for this year's event and light up the route with us. The following pages have the vehicle entry form and rules for participating in the convoy. Help us raise awareness of food bank donations by collecting donations in your workplace for two weeks before the event and send a volunteer or two to help during the event.

Please give me a call if you have any questions.

2022 IEOA TRUCK LIGHT CONVOY & FOOD DRIVE OFFICIAL RULES AND REGULATIONS

1. Entries will be accepted for **LARGE COMMERCIAL VEHICLES ONLY**, no pickup trucks, vans or RV's will be accepted. Vehicles can tow ONE trailer only.
2. All entry forms must be received no later than November 20, 2022. Please complete the **entry form** attached and return with **insurance papers** and **payment** to: IEOA
17 Cadillac Ave, Suite 25 Victoria, BC V8Z 1T3 Fax: 250-384-0141 Email: info@ieoa.ca

AN ENTRY FEE OF \$75 is required unless you are an IEOA Member or a Sponsor
We accept cheques, Visa and Mastercard payments.

3. Only confirmed entrants will be allowed to participate. The total number of entries is 80 vehicles maximum. Entries will be accepted on a first come first serve basis. Confirmation of the route and event details will be forwarded to the contact once your completed entry form, fee (if applicable) and insurance documents are received.
4. All entries (trucks, trailers, equipment on trailers) must be decorated with a **MINIMUM of 50%** colored lights or decorations. Non-decorated box trailers are not permitted in the convoy. The Convoy Committee's decision regarding all entrants is final.
5. **Throwing articles, of any form or substance, from convoy units is STRICTLY PROHIBITED. Throwing articles from participating vehicles is cause for immediate ejection from the event and denial to future events.**
6. Alcoholic beverages, cannabis, and other incapacitating substances are forbidden on any vehicle or on the person of any participant. Consuming substances during the event is cause for immediate ejection and permanent future exclusion.
7. Excessive use of horns and music during the event is prohibited - in particular train horns. This has resulted in complaints from the public and other participants in the past.
8. Fireproof insulation must separate a generator and any other heat source from combustible decorative material. No wood burning fixtures will be permitted.
9. Decorations and lighting must be secured and durable for any weather condition.
10. The participant, and all persons taking part in the participant's entry in the event and associated activities, shall be responsible for ensuring that the rules are complied with and that participation in the convoy is carried out in a safe and responsible manner.
11. The use of emergency lights and sirens will not be permitted during the convoy.
12. All participants travelling in vehicles and on trailers must wear seatbelts.
